New British Naval Policy of Deconcentration Well Received in Germany.

NOT AIMED AT AMERICA

Base Now Chosen Is 700 Miles from Panama and Could Form No Menace to This Country.

Berlin, Aug. 7 .- In reviewing the decision of the British government to station several naval cruisers at Bermuda, Captain Persius, the naval expert of the "Berliner Tageblatt," sees the first breach in Lord Fisher's policy of concentrating every available ship of the British navy in home waters, and an indication of the waning of the tense Anglo-German rivalry which has kept the two nations on the verge of war for

gius finds the action of the British Adsays Germany also may take similar steps of deconcentration. He believes general the decision was dictated more by the desire to show the British flag than by actual necessity. The "Taegliche Rundschau" to-day

publishes a story referring to the posmallity of Germany modifying her programme in view of the ac celeration of construction of three hattleships of the British navy re cently announced by Winston Spencer The German Admiralty, however, says there is no question of

Sir Mackenzie Bowell, former Prime Minister of Canada and for forty-six ensecutive years a member of the Caadian Parliament, spoke yesterday or arriving from St. John's, Newfoundland in the Red Cross liner Florizel, of the new British naval policy at Bermuda.

I do not think the United States need nduly alarmed," said the Canadian "over England's plan to es 700 miles from the entrance to Panama Canal, and the plan is merely in line with Winston Churchill's strongly indisposed to regard the situaempire in a position to resist any enemy.

fleet from the home squadron, making it distinct division of the navy, is merely another step in the same direction. Engand is preparing herself against the unstable situation in Europe, and hasn't the least thought in the world of making any experienced officials in the Department hostile or even unfriendly to the United States."

Sir Mackenzie intimated that personally believed Great Britain's refusal to participate in the Panama-Pacific Exposition was due to America's stand on the canal toll question, in spite of the protestations of the English to the con-

#### LIND SAILS ON WARSHIP No Comment on Hearing He Is Unwelcome at Mexico City.

Galveston, Tex., Aug. 7.-The United Cruz to-morrow night.

on a special interuban car and immeboarded the New Hampshire. No civilian was allowed on the battleship. Houston, Tex., Aug. 7.—Delayed several hours because his train jumped the rails

liours because his train jumped the rails near Nome. Tex., last night. John Lind arrived here early to-day and immediately proceeded to Galveston.

Mr. Lind was shown dispatches from Mexico City containing the official statement that his coming in an unofficial capacity rendered him persona non grata to the Huerta government. Beyond characterizing it as news, he refused to make any comment.

## HUERTA LION OF THE HOUR

Prestige Strengthened by Defiance of United States.

Mexico City, Aug. 7.-President Huerta's Prestige among Mexicans in the capital oubtedly has been strengthened by what is regarded as his defiance of the United States. Even those who had been lukewarm in their support of the administration profess admiration for the soldier-President who dared to talk back to Washington, although not all of them ad interm of the Secretaryship of Foragree as to the wisdom of his course, and many of them consider that he acted precipitately in view of the officially defined

intentions of Washington.

dent Wilson's personal representative, presence will not be acceptable in this continues his trip to Mexico City is a matter for speculation. No official declaration has been made as yet as to what this course will be. It is assumed that Lind might enter the republic Vera Cruz and come to the capital without molestation, since the question of his credentials could not be expected to be whether he shall be expelled or merely Ex-President Denies Report He

ignored remains undetermined. Speculation is divided as to whether Mr. Lind will be recalled or permited to cen saue upon President Huerta. Mexicans publication to-day of the statement that tinue as far as he can, and thus force the of the conservative class appear to be- he has no intention of going to Japan. lieve that Huerta will be content with ignoring him, except, perhaps, for subjecting him to surveillance.

Unless a radical change is effected in the sentiment at the palace, Mr. Lind wfil not have an opportunity to talk with excellent health. He is well informed day. President Huerta, even though he is permitted to remain in the capital; nor will he be any more successful in meeting any official of the government.

The statement of Senor Aldape, acting Minister of Foreign Affairs, that Mr. Lind will be persona non grata to the Mexican government unless he brings "credentials in due form, together with recognition of mitted to the United States Embassy soon held in Paris to-day accepted the invitaafter it was seved and was also dis-Patched to the United States and to the next International Eugenics Congress

# GERMAN REFUSAL SURE

Fair Said To Be Decided On.

BRITISH MAY RECONSIDER

"The Times" and "The Daily Mail' Think Asquith Government Made a Mistake.

London, Aug. 8 .- The Berlin correspondent of "The Dally Chronicle" says in a dispatch dated August 7

"I learn on ab-olutely reliable authority that the German government has decided not to take part in the San Francisco Exposition. German have declined to exhibit on account of the cost, and also because of American nouncement that President Huerta will sible to extend German trade on the Pacific Coast

> "Herr Ballin, of the Hamburg-American line, however, is advocating German participation in the exhibi-States government."

In a special article published to-day "The Daily Mail" advocates British participation in the San Francisco Exposition. The article argues that it is a disturbance of the present happy relations between the two countries by fall. offending the pride of America over a adds, might result in a change in the attitude of the United States government with regard to the Panama tolls

"The Times" in an editorial to-day ment made a mistake in refusing to participate in the San Francisco exbut it was a pardonable, intelligible almost exactly like "Buffalo Bill." mistake which is not past repair, and the sense and sentiment of the nation demand that it be rectified.

"The Times" confesses that, as Great Britain was the author of the world, the misconstruction placed upon natural gifts of construction, particularly the British government's refusal to participate at San Francisco is not surprising.

Berlin, Aug. 7.-A number of prominent Germans have started a campaign in an endeavor to induce the German government to participate in the Panama-Pacific Exposition, which is to be held at San Francisco in 1915. Appeals will be made direct to Emperor William, to the Imperial Chancellor, Dr. von Bethmann-Hollweg, and every possible influence will be brought to bear to have the government reverse its decision not to take part in the exposition.

CUBA TO HAVE A PANAMA FAIR.

[From The Trib ne Bureau ] Washington, Aug. 7.-While several of the larger nations have declined to participate in the Parama Exposition in San Francisco in 1915 on the ground of "too great an expense," Cuba has not only signified her intention of exhibiting at the American exposition, but is taking steps for holding a national exposition of her own the same year to celebrate the official opening of the canal.
